Dear Senior Health Advocate,

On Saturday, April 13, 2019, the Elderly Fall Prevention Coalition (EFPC) of Ventura County, in association with Ventura County Area Agency on Aging (VCAAA) will host a Bilingual Fall Prevention Forum: "Don't Play With Your Health: Prevent Falls Now".

The format will consist of speakers interspersed with balance enhancement activities and demonstrations. We will also offer health assessments, including vision, hearing, and balance. Dr. Edgardo Falcon, MD will be our keynote speaker. The Forum will be informative and fun for the participants!

We expect more than 200 participants. The event will be held from 8 a.m. to 1 p.m. at the Santa Paula Community Center located at 430 W. Main Street, Santa Paula.

Doors open at 8 a.m. Participants will be given plenty of time to visit resource tables throughout the event.

Our goal is to reduce the following startling statistics:

- 99% of fall victims sustained injuries requiring treatment
- 65% of all falls occurred at home

Thank you for doing your part to keep seniors on their feet!
