#	Topic	Action Items
1	<p>Presentation of Data for readmissions:</p> <p>Agencies  Submitted: Outstanding:  Assisted Los Robles  LMVNA Las Posas  Summit Mission  Access</p> <p>Hospitals  Outstanding: Outstanding:  SJRMC CMH  Assisted LMVNA  Summit Responded to : Summit and Assisted  LMVNA</p>	All Agencies to have their data to the hospitals by 2/27/2019 and the hospitals will have all completed data back to agencies by 3/6/2019. All agencies to be prepared to discuss data next meeting.
2	Formstack Data review- Bonnie reviewed a couple statistics: All agencies met threshold for Person Centered Care questionnaire, Overall goal met for timely referrals from hospitals. One of the data challenges was the continued disparity in patient referrals. Some agencies have a much lower number of insurance cases than Medicare.	Complete data to be announced at quarterly meeting
3	Patient Centered Care: Shelley reviewed what has happened in her agency with a reduction of patients that went to other agencies, less complaints from patients and	

	patients feeling more comfortable calling the office to work out problems they may have.
