#	Topic	Action Items
1	LACE Tool Integration into Formstack-Sally and Bonnie to finalize how the two scoring can be integrated and how to be reported to HH Alliance members. Discuss if the patient identifying risk factor for both hospitals be integrated into one scoring tool that identifies three level of risk: Low, medium or high? If so, how is that identified in the referral documents?	CMH ready, Sally to speak to Angela on Friday and give a timeline and when language they will use for the risk levels and then report information to Chris
2	Readmission Diag. Trend Analysis – Agencies to track the data in their formstack. Committee to discuss the best practices to reduce readmission related to Infection/UTI. Committee members to present their current best practices and share with members. What other resources are available to share best practices e.g. HSAG, hospitals, rehabs...	Not discussed move to next meeting. Agencies and hospitals discussed data. All agencies to bring education and any other items for best practice for care or prevention of patient with UTI. Sally to get HSAG information on this.
3	Formstack Revisions- <i>Some revisions to discuss for addition are: 24 hour SOC drop down add Not Taken Not Found, No MD order, MediCal in insurance dropdown, Referral after DC, no orders upon discharge/no auth in 24 hour SOC dropdown</i>	To be discussed further in next meeting. Agencies please bring ideas if you have any so we can get formstack changed.
4	Formstack Data Results: If Bonnie wants to address any elements of data results from 2 nd Quarter 2019	Not discussed move to next meeting.

NEXT MEETING: September 18, 2019 3:00pm @ Camarillo Hospice 400 Rosewood Ave. #102, Camarillo
