|----|--|---|
| | Introductions <ul style="list-style-type: none"> Sally introduced Dr. Frederick Change, DO, Sound Physicians, who wanted to sit in on the meeting to see about the Alliance. | |
| 1 | Committee Attendance <ul style="list-style-type: none"> Brookdale and Santa Paula PostAcute haven't been attending meetings. Ryan did talk to Vincent Gonzaga at Brookdale and he was invited to the quarterly meeting | Information to be passed and discussed at SNF criteria committee |
| 2 | Skills Fair <ul style="list-style-type: none"> Haven't been able to verify how many people VCMC can accommodate for skills fair | Lynette will follow up with Matthew on how many VCMC can accommodate. Sally and Bonnie see if CMH and SJRMC can accommodate just in case needed. |
| 3 | Skills fair <ul style="list-style-type: none"> competencies are being worked on and are to be presented at next meeting Home Health has expressed wanting to attend as well | Laura, Diana, Lynette, Renee to finish competencies and then present to committee |
| 4 | Skills Fair <ul style="list-style-type: none"> Need instructors for skills fair to teach chronic disease Diana is handling the palliative/hospice teachers. | Sally and Bonnie to check and see if they have volunteer RNs from their facilities to teach chronic disease portion |
| 5 | Palliative care and SNF cohesion brochure | Tim and Ryan to develop and review with Diana |
| 6 | SNF still having a hard time finding palliative care notes upon transfer <ul style="list-style-type: none"> Sally states that the DC summary should come into Curaspan within 24 hours of discharge. Diana states that CMH should be sending Palliative Care notes and POLST even if done the day of discharge. | Sally/Bonnie to see if they can convince nurses to put palliative care notes on top of the packet. SNFs to modify the Acute to SNF transfer form to include "palliative care consult". SNFs to check Curaspan for updates that they can print out for nursing within 1-2 days of transfer. Marj and Sally get together to make sure SNFs are receiving the same information that the acute is sending. |
| 7 | HIE POLST registry <ul style="list-style-type: none"> Is cloud based and HIPAA compliant Picking up steam but not being used yet. Still need to wait for hospital enrollment before it makes sense for SNFs to join. | None |
| 8 | POLST tracking <ul style="list-style-type: none"> SNFs state they are not getting the POLSTs on many patients who are DNR. | Juvie to send her log to Bonnie and Diana for review. Other SNFs to keep log of transferred patients and who did or didn't have POLST upon admission |
| 9 | Fire/EMS training pilot update | Sally to give number of fire contact to Brad and Brad to contact and have discussion about SNF training. |
| 10 | SNF to Acute information transfer discussion <ul style="list-style-type: none"> SNFs are already sending everything that the ED said they want to receive. Hospitals to verify if there is a consistent approach in what ED personnel are doing with the packet when it gets there are the survey showed varied answers | SNFs to double check that they're sending what is being asked for Sally and Bonnie to check with ED Dept heads as to what the policy is with SNF transfer documentation |
