Old Business	Topic	Action Items
Mission/Purpose Statement	<i>Ensure an optimal transition for patients across the continuum of care by adopting a person-centered approach of care and enhancing communication between acute and post-acute settings.</i>	
Transfer to Acute Care	<ol style="list-style-type: none"> 1. Dignity – Dignity care managers like the way Cecille from Assisted follow this process. When she has a dialogue with the c.m. she has a lot of knowledge about the patients and seems to know what pertinent information to give to the c.m.s 2. CMH – nothing new to report 3. VCMC – Marrianna Jong is not available. Mathew Tufte to re-engage in alliance initiatives 	Chris will ask Cecille if she has a specific “protocol” re this process and share it with the group at the next meeting
High Risk Tool	<p>live date is November 1</p> <p>Hospitals need more time to sort out the details</p> <p>Hospitals will let agencies know where this information will live on referrals</p> <p>group agrees to let this initiative roll out first, then start looking at interventions</p> <p>interventions for each “bucket” has been started</p> <p>MC – this initiative at VCMC is a work in progress</p>	<p>Hospitals will let agencies know where to find this information on referrals</p> <p>HH agencies to continue to work on common interventions to be implemented in home health based on the hospital risk score as well as the HH risk score</p> <p>HH agencies will track in formstack whether or not a risk score was given and what the score was. Starting November 1</p> <p>This will become a standing agenda item</p>
HHAVC Introductory letter	Review continued. Revisions suggested.	Molly to send to Bonnie, Tree and Mary for finalizing.

Liaison Care Coordination Form	we will continue to use this form if resources need to be updated	Amber will work with Steven to continue to update/revise the resource list. Chris will forward Cecile's electronic lists to Amber
HH Alliance SNF topic	Group decides it is important for continued SNF involvement and collaboration with Home Health Alliance	Sally will reach out to Cindy and look for a consistent rep at the meetings Steve to re-send list that he and Cecile created re snf referrals for agencies to review at partnership meeting

Community Partners	List reviewed Lynette not in attendance, will move discussion re "meals" to next meeting.	This item will be moved to a 2020 work plan Lynette will prepare a discussion on "meals" for the next meeting
Alliance presentation dates to partners	<ol style="list-style-type: none"> Dignity Meetings <ul style="list-style-type: none"> Sally will coordinate a meeting with the alliance members and the physician group Sally will ask Angela Luttge to attend Liaison Committee meetings Sally to work with Robin to identify other groups to present to CMH – Bonnie interested in engaging outpatient groups. Molly – requesting, on behalf of HH agencies, a schedule for the first quarter of 2020. 	<ul style="list-style-type: none"> Sally will coordinate a meeting with the alliance members and the physician group Sally will ask Angela Luttge to attend Liaison Committee meetings Bonnie will work on scheduling 2020 meetings.
Round Robin	<ol style="list-style-type: none"> CMH H&Ps – the documents say "preliminary" at the top and have no MD signature. Home Health needs the "final" with an MD signature. Molly – reminded team that Lynette has not had a lot of requests for their dementia care manager partners. Please utilize this good service. Molly – reminded all the Cecille from Assisted is leaving. She has been such a special partner to all during this alliance journey and she will be missed Suggestion – change the data and criteria meetings to every other month Think about different types of committees to replace existing committees that have met their goals. Bonnie – SNFs went live with PDPM (patient driven payment model) Oct 1. This creates strong opportunities for HH to better work with SNFs to help them strategize care for their higher acuity patients. Perhaps a HH work group can be established to help SNFs with this new model. 	<ol style="list-style-type: none"> Bonnie will bring this to the next CMH CM meeting. Also asks alliance members to do the same. Next CMH CM meeting is scheduled for 11/14

NEXT MEETING: Wednesday, November 20, at 4 PM at LMVNA's Camarillo office.
